Prior to a pilot boarding any ship, the Master must report any sick persons aboard, especially if there are any infectious disease health concerns. This report must be sent to the *Marine Security Operation Centre West, Transport Canada* (MSOC West TC) at +1 (250) 363-4850 or marsecw@tc.gc.ca.

On receipt of the Masters' reports, the relevant Canadian authorities will meet to discuss next steps for the vessels. Should the relevant authorities have no health concerns, the pilot will board the vessel at the pilot-order time.

Prior to, or soon after boarding a vessel, should a pilot be informed that there is a sick person onboard for which no prior notice was given, the pilot will immediately depart from the vessel.
