Organization

- A federal Crown Corporation based in downtown Vancouver, the Pacific Pilotage Authority (PPA) provides safe and efficient marine pilotage services in the coastal waters of British Columbia, including the Fraser River.
- PPA oversees dispatch and launch operations at stations in Vancouver, Victoria, Steveston and Prince Rupert.
- A progressive employer with a mandate critical to the economy of Canada. The PPA is wholly self-funded, complex, small and nimble. PPA employs a diverse workforce of approximately 100 people.
- PPA generates revenue through collection of Pilotage service charges paid by transportation companies that access the coastal waters of British Columbia with the assistance of licensed pilots.
